4 FEBRUARY WORLD CANCER DAY

What's Happening This Weekend
2 FEBRUARY 2024 | [f](#) [i](#) [@ndeipi_magazine](#)

The 4th of February is World Cancer Day, a global initiative led by the Union for International Cancer Control (UICC) to raise awareness of cancer and to encourage its prevention, detection, and treatment. World Cancer Day supports the goals of the World Cancer Declaration, written in 2008 at the first World Summit Against Cancer in Paris

As we enter a fresh month, let's embrace the delightful atmosphere of love that February brings, click on the link and join us as we explore the captivating history of Valentine's Day and uncover the enchanting tale behind this beloved holiday.

Prepare yourself for a weekend filled with education and inspiration! Join us this Saturday at the Harare Presbyterian Church as we delve into the significance of Wetlands. Discover the importance of these natural wonders and how they contribute to our ecosystem. Alternatively, you can participate in the Luminaria Ceremony on the 2nd of February to commemorate World Cancer Day, where we pay tribute to cancer survivors.
