My dear life

Once upon a time there was a girl who hoped to be a fairy. She would hope everyday. Most kids thought she was silly because she wanted to be a fairy excepted her parents who died.

At school she was always bullied. On break she went to her class and started crying but then someone was recording her crying and sent it to the whole school and more people bullied her. She went home crying, she said to herself why is everyone bullying me because I want to be a fairy

Just then a fairy came to her and granted her dream. She became very excited her dream became true.

Moral

Never give up.
