

A DREAM COME TRUE

Long time ago lived a girl who dreamt of becoming a mermaid. She prayed to God. Her only friend was her pet rabbit because everyone thought that she was weird because of her dream. She waited and waited but nothing happened.

One day she decided to go to the ocean where she saw a pirate trying to kill a mermaid so she stepped in to help the mermaid. The mermaid was very grateful and wanted to return the favour. The girl didn't hesitate she asked if she could become a mermaid as this was her dream. Her wish was granted.

Everyone was so jealous.
