

A DREAM COME TRUE

“ Hie Champ ! “ he said. I looked up to see who I was escorting on the field. I couldn’t believe it but said hi back. I was already excited to be at the ICC Qualifier escorting the Zimbabwe National cricket team but to stand next to my favourite player Sean Williams was a dream come true.

My mum had taken me to a cricket match and a rugby match so I could choose which sport I wanted to play. One Saturday my mum told me to get dressed in sporty clothes because we were going somewhere fun and surprise it was for cricket. I think cricket is really fun. Cricket is a sport of fitness. In cricket I like to bat. I played a match and got 27 runs and I hit 3 wickets. I was so happy.
