**TITLE:** **A dream came true**

I always dreamt of having a bicycle. I wanted a shiny and pink one with streamers. On my third birthday I ran downstairs and I saw it. Mom and dad had a surprise for me, they bought me a bicycle.

I named my bicycle Sparkles and I rode it to the park and felt free. The wind blew through my hair. I rode sparkles every day. I felt happy and proud.

My dream came true. I learned that dreams can happen if u wish hard and be patient. I love my bicycle sparkles so much. I want to thank my mom and dad for making my dream come true. I cannot wait for my next dream to come true. (119)
