

# *THE MAGICAL PARADE.*

*My friends and I went to the magical parade. So many characters from Disney and Nickelodeon were there.*

*I saw Jasmine and other characters. Jasmine looked at me, which was creepy and she started to talk to me. Jasmine wanted to give me a ride on the magical carpet. It felt so magical, I felt like I was the star of the show. The magical carpet was so beautiful, it had some exquisite designs. I went on the carpet we started flying over the parade. Somehow I could see Dora the explorer and Boots. Boots magically appeared on the flying carpet.*

*At the end of the parade I got off the carpet, but I couldn't find my way back home.*
