

The Adventure I never expected

It was the last day of the holidays. I went outside to explore the forest, at the edge of the village. I walked past the luminous danger signs and went into the deep dark forest.

Inside the forest, I came across a stone temple. The interior of the temple was covered in sparkling jewels and glistening gold. To my left was a room with a shining sword. As soon as I picked it up, a group of angry zombies appeared. I used the sword to fight the zombies. I battled long and hard for many hours.

Soon I was teleported back home. It was an odd adventure that I had never expected.
